

PROGRAM EUROCOALASH 2025 *

MONDAY JUNE 16 AFTERNOON

14.00 - 15.00 SESSION 1 - Inauguration - Opening

Pascal Blaise Amphitheater | Chairperson : Hans-Joachim Feuerborn, DE

14.00 - 14.15 *IMT Nord Europe Presentation*
IMT Nord Europe

14.15 - 14.30 *AFPC - ECOBA Presentation*
Fabrice Fayola

14.30 - 14.50 *Carbon neutrality and sustainable construction with CCPs in Europe*
Fabrice Fayola, **Hans-Joachim Feuerborn**

14.50 - 15.10 *Sustainability and Circularity of Coal Combustion Products : Secondary First for a Greener Future*
Tomasz Szczygielski

15.10 - 15.40 **EXHIBITION and TEA/COFFEE in the IMT Nord Europe reception hall**

15.40 - 17.00 SESSION 2 - Global aspects, international experiences

Pascal Blaise Amphitheater | Chairperson : Fabrice Fayola, FR

15.40 - 16.00 *Coal Combustion Products Worldwide - Trends in sustainable production and construction*
Thomas Adams, **Craig Heidrich**, Jinder Jow, Joachim Feuerborn

16.00 - 16.20 *Management and Progress of Coal Combustion Products in China*
Mill Shi, Yang Dong, Dong Zhang, **Jinder Jow**

16.20 - 16.40 *Coal By-Products Sustainable Utilization: A Story of Successful Industry-Academia Collaboration*
Ifrah Imran

16.40 - 17.00 **Steered discussion Audience**

17.10 - 18.15 **EXHIBITION and WELCOME COCKTAIL in the IMT Nord Europe reception hall**

TUESDAY JUNE 17 MORNING

09.00 - 10.50 SESSION 3 - Regulation, Standardisation, Testing

Pascal Blaise Amphitheater | Chairperson : Tomasz Szczygielski, PL

09.00 - 09.20 *Regulations and Standards for CCPs – an update for Europe*
Loïc Danest, Hans-Joachim Feuerborn

09.20 - 09.40 *Decrease clinker incorporation in cement, calcareous fly ashes as old/new constituent - Polish experiences*
Maciej Batog

09.40 - 10.00 *Case study : additional testing methods investigation for processed ashes*
Loïc Danest, Maxime Dubourguais, David Bulteel, Guillaume Potier

10.00 - 10.20 *Other ash sources for concrete - proposals for the revision of EN 450*
Hans-Joachim Feuerborn

10.20 - 10.40 *Implementation of the exposure resistance classes into german standardisation and performance-testing of ready-mixed concrete with fly ash*
David Ov, Udo Wiens

10.40 - 10.50 **Steered discussion Audience**

10.50 - 11.20 **EXHIBITION and TEA/COFFEE in the IMT Nord Europe reception hall**

**this program is not final and may be subject to modification.*

11.20 - 12.50

SESSION 4 - Ash from stock - General aspects

Pascal Blaise Amphitheater | Chairperson : Martin Cyr, FR

- 11.20 - 11.40** *The Changing scene for ash transport and processing*
Michael Bradley
- 11.40 - 12.00** *Investigating Recovered UK Stockpile Fly Ashes for Use in Concrete Construction*
Arfas P. Habeeb, Michael J. McCarthy, Laszlo J. Csetenyi, M. Roderick Jones
- 12.00 - 12.20** *Project of reusing, transport, and supply of coal combustion products from Panský les*
Pavel Donat, **Rostislav Šulc**, **Petr Formáček**
- 12.20 - 12.40** *Fly ash from the Ostrava - Třebovice tailings pond (Czechia), first results of initial tests for application in civil engineering*
František Kresta
- 12.40 - 12.50** **Steered discussion Audience**

11.20 - 12.30

SESSION 5 - Special products and processes

Morse Amphitheater | Chairperson : Tomasz Szczypiński, PL

- 11.20 - 11.40** *European Interreg FWVL project 3D formworks: Study on the use of fly ash for the formulation of low-carbon inks in 3D concrete printing*
L. Bétrémieux, A. Delamou, N. Belayachi, S. Rémond, S. Abdelouhab, D. Bulteel
- 11.40 - 12.00** *Ash-based materials for 3D printing*
Radosław Pomykala
- 12.00 - 12.20** *Printed mortar based on micronized municipal solid waste incineration bottom ashes: a method to reduce metallic aluminum content to ensure long term stability*
Anne Frédérique Muller, Damien Labrot, **Eric Garcia-Diaz**, Gwenn Le-Saout
- 12.20 - 12.30** **Steered discussion Audience**

12.50 - 14.00 **LUNCH BREAK** in the IMT Nord Europe reception hall

TUESDAY JUNE 17 AFTERNOON

14.00 - 15.50 SESSION 6 - Ash from stock - processing / technologies

Pascal Blaise Amphitheater | Chairperson : Loic Danest, FR

- 14.00 - 14.20** *Enhancing Wet Stored Fly Ash Reactivity by Mechanical Action for Use in Concrete*
Michael J. McCarthy, Laszlo J. Csetenyi, Thomas A. Hope
- 14.20 - 14.40** *Challenges of switching from coal fly ash to biomass ash in cement applications*
Martin Cyr, Rachida Idir, Mathieu Pellerano, Laurent Poulizac, Pierrick Dupuy
- 14.40 - 15.00** *Fly Ash Harvesting Demonstration in UK and France*
Lewis Baker, H. Guicherd, A. Gupta, and F. Hrach
- 15.00 - 15.20** *Fives FCB – Bottom & Fly Ash Solutions*
Damien Chudeau
- 15.20 - 15.40** *A One-Stop Solution to Drying & Sizing Harvested Coal Fly-Ash and other Secondary Cementitious Materials (SCM's)*
Scott Coley
- 15.40 - 15.50** **Steered discussion Audience**

15.50 - 16.20 **EXHIBITION and TEA/COFFEE** in the IMT Nord Europe reception hall

16.20 - 18.00 SESSION 7 - Special products and processes

Pascal Blaise Amphitheater | Chairperson : Hans-Joachim Feuerborn, DE

- 16.20 - 16.40** *Cemtec - Sustainable Grinding solutions for Supplementary*
Marcin Mrowiec
- 16.40 - 17.00** *Thermal and Mechanical Activation of Estonian Oil Shale CFBC and Hydrated Legacy Fly Ash as an Alternative Binder System for OPC Replacement*
Peeter Paaver, Kalle Kirsimäe
- 17.00 - 17.20** *Types and properties of biomass and their potential applications*
Gabriela Fuks
- 17.20 - 17.40** *Development of New Cement Products - Extending the Utility of Coal Ashes*
Warren South
- 17.40 - 17.55** *Supercharging ash for concrete cash: new activation technology to increase ash substitution for cement*
Matt Kennedy-Good
- 17.55 - 18.00** **Steered discussion Audience**

19:30 - 23.00 **GALA DINNER at the prestigious Lille Opera, Lille**
Fly ash: A long-term available Supplementary Cementitious Material
Nils Jansen

WEDNESDAY JUNE 18

08.45 - 14.30

Technical visits - Access is strictly limited to participants who have completed their registration on the official event website.

Surschiste and Fives FCB site

Fives site to Surschiste site

08.45	Shuttle meeting in the IMT Nord Europe car park
9.00 - 9.30	IMT Nord Europe towards the technical visit of the Fives site
9.30 - 11.00	Technical visit Fives (1h30)
11.00 - 12.00	Fives site to the technical visit of the Surschiste site
12.00 - 13.30	Technical visit Surschiste (1h30)
13.30 - 14.30	Return to IMT Nord Europe

Surschiste site to Fives site

08.45	Shuttle meeting in the IMT Nord Europe car park
9.00 - 10.00	IMT Nord Europe towards the technical visit of the Surschiste site
10.00 - 11.30	Technical visit Surschiste (1h30)
11.30 - 12.30	Surschiste site to the technical visit of the Fives site
12.30 - 14.00	Technical visit Fives (1h30)
14.00 - 14.30	Return to IMT Nord Europe

14.30 - 15.30 Lunch break in the IMT Nord Europe reception hall for technical visit participants only
